

CHARRED SERIES

Like an artist who can bring the beauty of nature to life, Real Fyre® artisans work from real wood samples to meticulously recreate the intricate bark detail and natural coloration of deeply charred wood. The burned-through centers of the resulting log sets—from the Charred American Oak to the Charred Majestic Oak—reveal the brilliance and fiery heart of a robust, long-burning fire.

The Charred Series from Real Fyre®, experience the pinnacle of realism...
...so real you can almost smell the wood.
